## 11 Volunteers Thank You

We cannot thank you enough for such an amazing year! We especially want to thank you for supporting us so that we can provide opportunities for **hundreds of volunteers** to offer compassionate care to our region's underserved.

Whether our volunteers simply answer the phones, serve as patient advocates, or provide medical and dental care, they are **invaluable to our patients**. But they cannot continue this important work without the support of your donations to PSCC.

**PSCC volunteers are supported by YOU.**

**Thank you!**
